

# TOGAF® Poster Series #52

50 Posters

Over the last couple of years, Good e-Learning have produced a series of posters covering many aspects of the TOGAF documentation. This poster summarises the first 50 posters we have produced. To make it easy to find the ones that you need, we have produced seven groups. Find the posters on our website - <https://www.goodelearning.com/downloads>

**A EA OVERVIEW, CAPABILITY AND GOVERNANCE**

- #21 → TOGAF Executive
- #20 → The Parts of TOGAF
- #43 → The Sandwich Diagram
- #47 → Certification and TOGAF Exam Questions
- #08 → TOGAF Governance
- #41 → The Implementation Governance Model
- #40 → Architecture Capability Framework
- #04 → TOGAF Skills Framework

**B GETTING READY - USING THE ADM**

- #09 → Architecture Partitioning and Integration
- #45 → Architecture Scoping
- #42 → TOGAF Guidelines
- #01 → The TOGAF ADM Cycle
- #10 → TOGAF ADM Objectives
- #31 → Phase A - Architecture Vision
- #14 → Phases B, C & D - Common Elements
- #28 → Phase E - Opportunities and Solutions
- #32 → Phase F - Migration Planning
- #34 → Phase G - Implementation Governance
- #35 → Phase H - Architecture Change Management
- #24 → Architecture Requirements Management Part 1
- #36 → Architecture Requirements Management Part 2

**C REUSE AND GOVERNANCE**

- #49 → The Enterprise Continuum
- #15 → The Architecture Continuum
- #16 → The Solutions Continuum
- #07 → Capabilities and Projects
- #11 → Transition Architectures
- #37 → Architecture Contracts
- #29 → Checklists in TOGAF

**E TECHNIQUES**

- #27 → Business Transformation Readiness
- #30 → Business Value Assessment
- #13 → Risk Management

**D ARTIFACTS AND DELIVERABLES**

- #17 → The Architecture Report
- #39 → The Architecture Report
- #33 → The Architecture Content Framework
- #18 → Deliverables in TOGAF
- #50 → Architectural Artifacts
- #05 → TOGAF Building Blocks
- #38 → Architecture Definition Document & Architecture Requirements Specification
- #12 → Release and Versioning of Architecture Frameworks
- #25 → Architecture Patterns
- #02 → A Framework of Frameworks
- #03 → The TOGAF Metamodel

**F ADAPTING TOGAF**

- #23 → Security Architecture and the ADM Part 1
- #24 → Security Architecture and the ADM Part 2
- #26 → TOGAF and SOA
- #44 → TOGAF and Architecture Frameworks

**G REFERENCE MODELS**

- #13 → The Technical Reference Model
- #19 → Integrated Information Infrastructure Reference Model
